

### **Book #1- Baptismal, Memberships and Death: 1865**

*This list of names is pulled from the above-mentioned records of The First Baptist Church of Williamsburg. This book can be found on the first reel of microfilm for The First Baptist Church at the John D. Rockefeller Jr. Library. This list is described as, "The record of the members connected with the Williamsburg Baptist Church," and includes many baptism, membership, and death dates. Baptism and membership dates range from 1865 through 1885. The few death dates listed range from 1875 to 1915. Almost every individual was also assigned a number in this book, with the exception of a few.*
